LAWN TRACTOR ACCESSORIES

You do more than mow. Which is why we supply a selection of attachments and accessories. Each of them is designed to make our Lawn Tractors even more useful. The possibilities are endless.

Lawn Tractor Cover Keep your tractor free of dust and other debris with this snug fitting cover.

Bumper Provides added front end protection around trees, buildings & fences.

Utility Trailer Easily haul everything in your garden from mulch to debris. Complete with a tilting tray & removable tailgate, this trailer will hitch easily to your lawn tractor & can carry loads of up to 225kg (500lb).

Tow Mode Push Mode
Convertible Poly Trailer Make light work of moving things around your garden in either tow or push mode.

Aerator Allow seed, fertiliser, air & water to reach deep into your lawn's roots to help keep it looking lush and green.

Grass Catcher Recycle grass clippings as compost using the twin bag catcher kit. The two detachable bags are made from nylon and have a total capacity of 230 litres. The catcher suits all Yard-Man® side discharge decks.

Tow Sweeper Easily sweep up leaves, grass clippings and lawn debris. Available in 38" & 42" collection widths.

Tow Spreader Spread everything from seeds to fertiliser with this MTD® tow spreader.
