LAWN TRACTOR FEATURES

3-N-1 Cutting Deck
Patented 3-N-1 cutting deck gives you the option of side discharging, mulching or catching grass clippings.

Deck Engagement and Lift System
The deck engagement system is a lot simpler and lighter to operate. The lift system makes changing the cutting height easier.

Shift-On-The-Go
Exclusive to MTD®, our Shift-On-The-Go transmission allows you to enjoy effortless, no-clutch shifting for maximum control and safety.

Operator Controlled Reverse (OCR)
Allows mowing in both forward or reverse until the operator leaves the tractor seat, turns the key back to normal or turns the engine off.
